Australian Golf training camp at Pelican Waters Golf and Spa Resort

Overview: ENJOY THE FULL 7 NIGHT ACCOMMODATION PACKAGE CHOICES

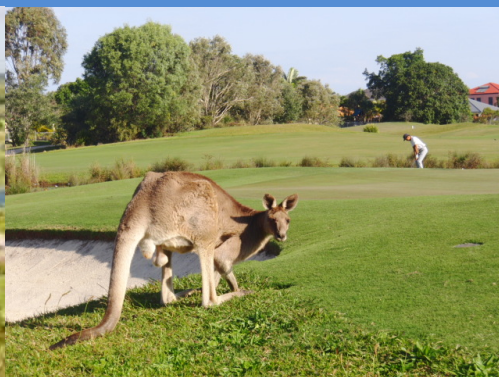

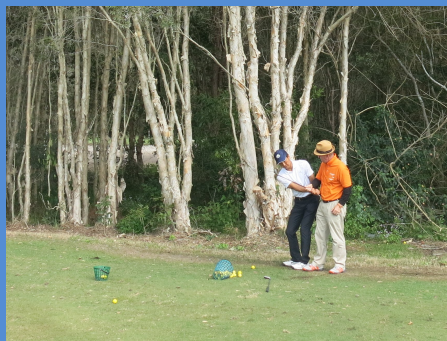

PROGRAM FEATURES

- Golfers play and practice to their heart's content
- Daily practice rounds on one of the best Australian courses
- Individualized instruction on the course and at the practice facilities
- Extensive putting training - learn how to practice to make your putting more effective
- Experience training methods that made Australia one of the leading golf countries in the world
- A truly superior golfing experience on a challenging but beautiful course - Pelican Waters Golf Club
- The vast and natural beauty of the Australian countryside

Golfers participating in this program will reaffirm the basics of golf while learning new techniques from the individualized sessions provided by the experts of the Tom Fielding Golf School. Bringing this experience back to Japan and improving your home course practice methods will lower your golf scores. While in Australia, program participants will gain international golfing experience, playing and practicing along side the experienced and expert members of the Pelican Waters Golf Club.

Participants will have the opportunity to explore the beautiful resort city of Caloundra, with its beaches, restaurants, and local sights. Students may also participate in a mid-week Club Competition at the Pelican Waters Golf Club, a chance to play along side local Australian golfers.

Improve your game on the Sunshine Coast in Australia this August!
